

My name is Kjrsten Monsen-Dorwart. I have been actively involved in working with young children and persons with special needs for 25 years. I am a wife, mother of 3 adult children, a Meemaw to Lukas, a.k.a. The Dude, advocate, Special Olympics coach, and a pet parent to 4 dogs.

My daughter, Harley, is special needs. She was diagnosed Developmentally Delayed at the age of 3. Since then, she has made the National Honor Society and won gold ten consecutive years in Shot Put for Special Olympics.

I am excited to be working at Summit Learning Academy, where I can continue to instill my passion for developing life-long learners.
